Under this agreement for 2016
Riverview State School will receive $205,885*

This funding will be used to

- Increase the performance of all students so that the NAPLAN Mean Scale Score of Year 3 students is improving to become statistically closer to the nation.
- Improve teacher capability through focused teaching and professional development to improve student performance in reading.
- Support each student at risk of not achieving NMS (as reflected in internal school data) with tailored support programs and particular emphasis in years P-3.

Our initiatives include

- Improve teacher capability through an intense Coaching and Mentoring Program which continues to embed our Pedagogical Framework focused on Explicit Instruction, Active Participation and Feedback.
- Develop data walls, in consultation with staff, to increase ownership and differentiated learning for students. Evidence: Sharratt and Fullan – Putting Faces on the Data.
- Embed a case management approach through Head of Curriculum Student Services to increase attendance and improve behaviour of students as pre-requisite for engagement in learning.
- Engage and train teacher aides, as part of a whole school approach, to provide support to all students.

Our school will improve student outcomes by
